# **John Fiorini Racing... Confident!**

**Racing since 1984...owner of Performance Automotive, Inc in the Berkshires, John and his John Fiorini Racing crew have over 81 years of collective racing experience under the hood. No wonder John's such a confident racer!**

## **John Fiorini Racing...Skilled in Speed!**

**John received his Top Alcohol Funny Car license at Frank Hawley's Drag Racing School in Florida, April 1996 for the NHRA. Pushing for speed, by April 1998, John learned to tune Nitro burning engines at Paul Smith's School in Florida. He quickly used these skills to tune his alcohol engines. His mantra still is: *More Speed. More Speed. More Speed!***
